## FLY

Take a spectacular scenic flight to the destination of your choice, choose one of our set routes or take advantage of our charter service.

Experience incredible sites such as the breathtaking Southern Alps, Mt Cook National Park, Milford Sound, Fiordland, Kaikoura, Marlborough Sounds, the West Coast Glaciers, patchwork Canterbury Plains, and a multiplicity of braided river valleys and gorges that are unique to the South Island of New Zealand.

## ABOUT

Air Rangitata is a family business operated by Arch and Norma King from their home between Geraldine and Ashburton, Mid Canterbury. They offer flexibility with flights and times to suit you and specialise in providing the highest standard of safety and comfort with a personal and friendly service.

Flying a Cessna 206 with seats for five passengers, provides each person with great views and opportunities for spectacular photography. The plane is fitted with individual headsets for talking amongst yourselves and to hear the pilot's informative commentary.

*Thanks for the incredible trip and all the hospitality Arch and Norma! We had a great time and it really was the highlight of our trip. Nothing like viewing the South Island from the air!* **Tom & Kate, United States**

*Air Rangitata is the perfect experience anytime of the year*
